Harben P-Pump - Comes standard with a 5-year warranty! Run dry indefinitely up to 4,000 PSI & 18 GPM. Radial piston diaphragm design.

Let me guess, you're a Ford guy. No wait.. Ram? Chevy? Maybe International? No matter your preference on truck brands (which we assume is clearly superior), you can mount this jetter system to the truck chassis of your choice. Just take a look at some of the pictures here and see the wide range of builds!

You're welcome to drive around a simple, yet proven work-truck-mounted jetter or go all out and get a big beefy system put together. When choosing a Harben® Truck-Mounted jetter, you can select one of our predesigned units or opt for a customized design.

Available Options:

- Jump Jet Pulsation
- Antifreeze Recirculation
- Strobe, Manhole & Workstation Lights
- Wireless Remote
- MK II Dump Gun

CONSISTENTLY SUPERIOR QUALITY AND VALUE
Incorporating the Harben "P" Pump, the enclosed units deliver the power and performance to clean the most demanding of jobs. Whether residential, commercial, municipal or even industrial applications, the enclosed unit's versatility allows the cleaning of lines from 2" to 18" in diameter.

UNMATCHED SERVICE AND RELIABILITY

Covered by an exclusive 5 year pump warranty, you have peace of mind knowing your investment will always be up and running.
