

COMPACT SIZE. MAXIMUM POWER.

Harben DTK-130 Trailer Jetter

► Everyday Line Ready

Ideal for residential or commercial work up to 8", with easy operation and clean results, and built to navigate small roadways in large cities for routine calls.

► Real Support, Nationwide

Hands-on help, honest answers, delivered straight from a team that stands behind every Harben out there—backed for two full years, and by a culture that says, "Harbens don't quit. And neither do we."

► More Jobs, Less Downtime

300-hour service intervals. No blown seals, pumps stay protected. Keep your revenue rolling and your backlog shrinking.

► Entry Level Power

Harben power at entry-level pricing—compact design for easy storage, quick mobilization, and reliable performance on everyday jobs.

BUILT TO OUTLAST. READY WHEN YOU ARE.

Harben DTK-130 Trailer Jetter

Harben durability and longevity in a maneuverable, compact footprint.

► Purpose-Built for Sewer & Drain

Engineered specifically for hard, dirty jobs — no generic pumps or afterthought design. Harben's radial piston diaphragm pump keeps you moving even when dry, powering through stubborn blockages year after year.

► No-Excuse Reliability

Still running strong after decades in the field. You get unwavering pressure (Up to 4,000PSI/18GPM) with fewer breakdowns thanks to our best-in-class, Run-Dry pump and cold-ready antifreeze system. Your DTK-130 is always ready, regardless of weather.

► Made For the Long Haul

Built right here in the USA, covered by a tough-as-nails warranty, and supported by a team that answers the phone when you call.

"It's unstoppable! We've had our Harben jetter for 22 years, and it's unstoppable. The staff have offered great support every time."
